

PHOTOGRAPHY & VIDEOGRAPHY OPPORTUNITY

Nunavut Nukkiksautiit is seeking qualified photographers/videographers to visit the Iqaluit Nukkiksautiit Project site at Kuugaaluk (60km from Iqaluit) this summer and fall to capture photographs and video content.

The successful vendor will be asked to:

- Travel to project site by helicopter (provided by NNC).
- Take high-quality photos and videos on site.
- Conduct and record short interviews with selected staff members and contractors.
- Provide edited digital content suitable for promotional and communication purposes, such as social media posts, website materials, and printed and digital documents.

Submission Requirements

Interested individuals or businesses are asked to submit:

- A brief introduction and company/profile information
- Relevant work experience
- Examples of previous photography and/or videography work (portfolio, website links, sample projects, etc.)
- Service Pricing
- Contact information
- Any other relevant information

Inuit vendors will be given priority consideration.

Vendors who are not selected for this specific assignment may be added to a roster for future photography and videography opportunities.
